## Application call for Participation in one day International Symposium

Turbine Testing Lab is organizing a one day International Symposium on “**Current Research in Hydropower Technologies, CRHT-IX**” which is the NINTH series in itself.

The scope of symposium is focused on research or research orientated academic activities related to hydropower systems. The main objective of this symposium is to bring researchers, students and professionals working in hydropower sector to a common platform to share their research experiences and also develop networking for future endeavors.

The schedule of event is planned as follows:

**Date:** 9<sup>th</sup> April, 2019, Tuesday

**Time:** 9:00 am onwards

**Venue:** CV Raman Auditorium, Central Campus, Kathmandu University, Dhulikhel, Nepal

All the interested students and researches are welcomed in this symposium as a presenter or as a participating audience. Both the presenters and participating audiences can reserve their seat by filling up the respective form available online at <http://ku.edu.np/ttl/index.php/crhtvi>

The details of the symposium can be accessed in CRHT-IX web link or by sending email at [crht.ttl@ku.edu.np](mailto:crht.ttl@ku.edu.np)

Please circulate this announcement to colleagues who may be interested in this symposium.

Best Regards,

Dr. Biraj Singh Thapa  
Faculty In-charge/Member Secretary- TTL  
Assistant Professor- DoME  
Kathmandu University  
Dhulikhel, Kavre  
Organizing Committee Co-Chair of CRHT-IX'19
